Lina,

As discussed in our call yesterday, attached is a proposed joint request and proposed order for a scheduling conference with the Court.

The Sequenom proposals that will be Attachment A are the revised proposed schedule and the alternative proposed schedule that I emailed to you on August 28. For Attachment B, we can attach your email of August 28 or, if you prefer, you can change it to a word document.

Please let me know if you have any comments by noon tomorrow, so that we can get the joint request filed tomorrow.

Regards,
Pete
